ABOUT USING THE GOVERNMENT DIRECTORY

This directory may be downloaded or printed online at **www.loraincounty.us/governmentdirectory**. To view comprehensive contact information for *Commissioners' Departments* (such as staff emails), please visit **www.loraincounty.us/commissionersdirectory**. All of the phone extensions listed in this directory have a **329-prefix** (unless otherwise noted), and are listed at the beginning of an agency's staff information. Additional information for Residents, Visitors, Businesses and Employees of Lorain County is available online at **www.loraincounty.us** - the Commissioner's official website.

ABOUT UPDATING COUNTY STAFF DIRECTORIES

The County's online staff directories are generally updated quarterly. Although we make every effort to keep it up-to-date, errors may occur due to unforeseen turnover. All County agencies are responsible for submitting staff changes as they come up throughout the year. To submit an update for your Department's in the Government Directory, Commissioners Directory, or Main Phone Lines & Addresses List - please email Meghan Wawak at **mwawak@loraincounty.us** or call (440) 329-5460. You will receive an email notification when the directory has been updated. Please note that contact information for new staff members should be submitted after the 180 days probation period has passed.

ABOUT ACCESSING THE COMMISSIONERS' EMPLOYEE INTRANET

The *Commissioner's Employee Intranet* provides exclusive information for their Departments, and may be accessed at **www.loraincounty.us/employees**. Intranet topics include a message from the County Administrator, a link to the Commissioners Personnel Policy Manual for County Employees, current announcements, retirement information and remote access instructions for voicemail and email. To request your Department's unique login credentials, please contact your Department Head.
